

Chippewa Falls Rotary Grants Program 2009-2010

Application Process

The Chippewa Falls Rotary Club provides grants to local organizations that support the betterment of our community, particularly with the underserved youth. These grants require an application that meets the requirements established by our organization, with an application process for each fiscal year. We have two grant programs; educational/vocational and community.

We are committed to funding programs throughout our community. In 2008, we contributed over \$20,000 through the Rotary Grants Program.

All Grant Request Forms must be received by May 1st of each year.

Grant Application Process:

Applicants must submit a Grant Request Form by the deadline each year.

Grant Request Forms will be evaluated and judged on how closely they meet the Chippewa Falls Rotary Club selection criteria.

Each organization will be notified on the results of its grant request.

Notification:

Organizations will be notified by August 1st of each year whether or not they have been selected.

Organizations will also be required to provide a short report on the grant at the end of the funded program/project (or by May 1st of the following year if the project is not completed).

Exclusions:

The Chippewa Falls Rotary Club does not make donations to individuals, political parties, or government agencies. We are non-sectarian. We do not contribute to an organization's administrative expenses, construction projects, or purchase of land and buildings.
