

Chippewa Falls Rotary Annual Grants Program

Application Process

Chippewa Falls Rotary provides grants to local organizations that support our community, particularly in four areas: health and family wellness, mentoring and youth development, meal and shelter programs, and educational programs. These grants require an application that meets the requirements established by our organization, with an application process for each fiscal year.

All Annual Grant Request Forms must be received by November 1st of each year.

Grant Application Process:

- Applicants must submit a Grant Request Form by the deadline each year.
- Grant applications will be evaluated and judged on how closely they meet the selection criteria.
- Each applicant will be notified on the results of their grant request.

Notification:

- Applicants will be notified in February/March of each year whether or not they have been selected.
- Applicants who have been awarded a grant will be invited to a noon Rotary meeting in March/April to receive a grant check.
- Grant recipients will also be required to provide a short report on the grant at the end of the funded program/project (or by November 1st of the following year if the project is not completed).

Exclusions:

The Chippewa Falls Rotary annual grants program does **not** make donations to individuals, political parties, or government agencies. We are non-sectarian. We do not contribute to an organization's administrative expenses, construction projects, or purchase of land and buildings.
